

Twincraft Soap is a customer-focused company dedicated to producing bar soap products for clients such as Aveda, Mary Kay, Estee Lauder, Disney, and Victoria Secret.

We are seeking a Batch Maker for 2<sup>nd</sup> shift. In this position, you are responsible for following a formula (recipe) by weighing and measuring ingredients and blending them in a hopper to be mixed. This position requires good math skills, the ability to organize materials, and lift up to 75 lbs. If you enjoy being physically active while working, you will enjoy this position.

We offer a competitive salary (based on experience) and benefits package including medical, dental, vision, 401(k), disability insurance, paid combined time off (CTO), and holidays. Please apply in person at Twincraft, 2 Tigan Street, Winooski, VT 05404, or submit a resume to [jobs@twincraft.com](mailto:jobs@twincraft.com)
