

Manufacturing Mechanic

Twincraft Soap is a customer-focused company dedicated to producing private label soap for clients such as Aveda, Mary Kay, Estate Lauder, Disney and Victoria Secret.

We are seeking a mechanic who is experienced in working in a fast paced, innovative, manufacturing environment. Our Maintenance Team is responsible for keeping our lines running and if you like variety, this is the place for you. If you have experience with machining, welding, electrical or automation we welcome your application.

We offer a competitive salary (based on experience) and benefits package including medical, dental, 401(k), disability insurance, paid vacation and holidays. Please apply in person at Twincraft, 2 Tigan Street, Winooski, VT 05404, or submit a resume to jobs@twincraft.com
